(\* indicates incumbents)

\*ARMSTRONG, GREG — I have lived in Leilani for 11 years and been Board treasurer for 8 years. Have always worked within the By-laws of LCA and if reelected will continue to do so. I also am coordinator for Leilani's Neighborhood Watch Program.

BANDMANN, KEOLA — I'm 48 years old, born on the island of Kauai. Retired U.S. Navy Seal. Business owner, self employed. I have a bachelor's degree in business management.

BANDMANN, VALERIE — Aloha I'm Valerie Bandmann. I've been a resident of Leilani estates, living on Kupono since March of 2017. Moved into Leilani from Ainaloa since 2007. I've been a successful business owner most of my adult life. I was a director on a board for The world folkfest for over 10 years and just retired from that board in early 2018. I bought our home here in Leilani to live in a quiet family friendly community. I'd really like to be apart of reviving our community after the Leilani eruption.

BURMEISTER, KRIS — My name is Kris Burmeister. I've been a property owner/resident of Leilani Estates since 2003. I served over 10 years in the United States Marine Corps as logistics management. Currently I'm working for HawaiiLife Realty. My home was taken by lava May 28 2018. I think this gives me a different perspective on the unique and complex set of challenges ahead of us. Leilani Estates has a very special place in my heart. It's where I raised my children. I love this neighborhood and want to preserve it to the best of my abilities. Aloha!

DALTON, HEATH — My wife and I purchased our home in Leilani Estates in 2008. I am the very proud father of two wonderful children both of whom were born here. Leilani Estates is the only home and neighborhood they have ever known. My wife and I started and hosted the annual Leilani Estates Halloween party beginning in 2013. I have been a member of the CERT team since 2011 and eventually became head of our CERT program in Leilani. I started teaching martial arts for the community just a couple of months before the eruption began. I am very family and community oriented and I would be honored to represent Leilani Estates on your behalf. I would like to see Leilani Estates brought back together. We have all endured so much in 2018 and internal divisiveness will get us nowhere. We need everyone's involvement moving forward to keep Leilani strong.

GOLDEN, ROBERT — I have been a resident of Leilani since 2013 and have been active in community organizations since I arrived. For a year I was on the Board of Directors of the Puna Community Medical Center, and for the last two years have been the Community Coordinator for East Hawaii Mankind Project. I have served as a mentor for Boys to Men Hawaii at the Pahoia High/Intermediate School for the last four years. I was part of the founding team of Puna Community Currency and Leilani Meetup. My mission is to create a world of legacy, fulfillment and peace by building community, inspiring others and living through my heart.

\*HAUANIO, MARK — Aloha. My name is Mark H.Hauanio. Born & raised in Kalapana. Both my wife & I bought this property in Leilani Estates in 1982. Raised our 4 wonderful kids. Kau, Michale, Keola, & Salina. If elected, I will continue to do the best for the betterment of Leilani Estates. Mahalo.

JEREMIAH, HENRITIA KAONOHI - I am Kaonohiokalani (Henrietta) Jeremiah, a native Hawaiian. Built in Leilani Estates in 2005. My goals are to support and assist in the restoration of our community. I graduated from Hawaii Pacific University with a BA in Human Service. I am a poet, musician, story teller and performing artist.

I'm a building general contractor in specializing in cesspools and septic systems. I've served on the Leilani Community Association's board for many years now. I enjoy donating my time to serving the Pahoehoe community and improving Leilani Estates. I will do my best to serve the community.

KINDEL, ROD — Resident since 2009, house on Alapai good, lot on Malama toast. Work, Engineer, specialized in facilities operations, justification / procurement, QS documentation creation and audits, team creation and training. I've done it for corporate, I can do it for us.

RIVERA, EMILY — I was born and raised on Oahu until the age of nine when my family moved to the Bay Area in California. There growing up I worked in the fields to help my family make ends meet. I graduated from Newark High School in 1966. In 1985 I graduated from Santa Barbara Business College with credentials in the Legal Program. I received my notary in 1985 and have kept it renewed since that time. For the last 30 years I have worked for numerous lawyers doing paralegal work. Since 1995 I have been an independent contractor working for lawyers while at the same time running my own business. In 2000, myself and my husband, Nelson happily moved into our newly built home in Leilani Estates.

STADNYK, ROSS — Homeowner in Leilani Estates almost four years, now in my second home here, have been on Neighborhood Watch since moving to Leilani, I filled a half term, and then a full year term on the Leilani Homeowners Board of Directors. In my opinion Leilani Estates is the only place to live here on the Big Island, for its beauty, the people and for the true sense of community. Even with the past event of lava in 2018, there is no place I would rather live and serve my community. I am 61 and been retired for the past ten years from a long career in multi-unit store management in retail. I have the availability to serve and continue the great management practices making this every homeowner and residents paradise.

\*TUCKER, JAMES – I enjoyed being the BOD Secretary in what turned out to be a tumultuous year. More work to do and if nominated I would like to return as Secretary to help continue with the restoration of our community. Currently I am a volunteer Assistant Basketball Coach to the JV Boys and Varsity Girls Basketball teams of Pahoehoe. Thank you for your consideration. Mahalo James

\*TURKOVSKY, JAY — As 2018 ends so does one of the most challenging years ever for our Leilani Community Association Board of Directors. I've been elected three times and have had the privilege of caring for the Associations business while working with a very wonderful and dedicated group of Board members. Starting in early May we have had to deal with the eruption centered around Fissure 8 and the inundation of 708 properties, County issues and most recently squatting and looting. I have attempted to pilot LCA through territory never encountered by a HOA to the best of my abilities. If chosen again I continue the guidance to restore our development to be the very best place to live on Hawaii Island.
