

Leilani Community Association

Dear LCA neighbor,

On February 10, 2020, Judge Nakamoto heard a motion to dismiss the 1st amended complaint, filed in the Bandmann lawsuit. The judge ruled that Keola Bandmann, Valerie Bandmann, Ross Stadnyk and Marianne Farrell were dismissed from the lawsuit, for lack of standing, but allowed Phil Denney to continue as the sole plaintiff. At the request of Mr. Denney's attorney, the judge gave his permission to allow Mr. Denney to file a Second Amended Complaint, to add the Leilani Community Association as a defendant. The Second Amended Complaint was filed by Mr. Denney's attorney, on February 24, 2020. A copy has been posted here, for your information. The LCA has tendered this new claim against our organization to our insurance carrier, who will hopefully agree to defend and indemnify the LCA, and hire an attorney to represent the LCA.

As more developments and details emerge, we will update you.

Thank you,

Robert Golden
President
