Greg advised that CPO Eddie Cardines is ill and unable to attend tonight's meeting. He did however call Greg earlier in the day to let us know that Paio has been arrested and is in jail. There have been a number of police raids but so far Cioni & Scotty have evaded capture. He also advised that Jungle George was injured and is in a hospital on Oahu.

The May 28, 2019 Neighborhood Watch Meeting Minutes were provided as handouts and reviewed. Jerry made the motion to approve the May minutes and Mark seconded the motion. All attending were in favor.

Ross gave the Treasury Report, indicating a balance of \$2,013.35 as of 6/24/19. Mark made the motion to approve the Treasury Report, Marianne seconded the motion and all attending approved.

Andy gave an update on the Squatter Elimination and Crime Reduction (SECR) Committee activities. Alice was going to give the update but was unable to attend. Andy confirmed they had met with Rick Damerville from the County Prosecutors Office to discuss options for properties with suspected drug-related activities. Important to report all suspicious vehicles to the Police. All police reports & License Plates are documented. It also enables the Prosecutor's Office to match info with Police Reports for multiple reports. Leilani Community Association was awarded \$15,000.00 through Ashley Kierkiewicz from the Disaster Relief Fund. Use of the funds has yet to be determined. Some could be directed to Neighborhood Watch if there is a need.

Richard was absent so there was no report for Driver Recruitment & Training or Loose Dogs.

Mark reported on the recent Block Captains meeting. A couple of new BC's have volunteered.

Greg reported that the Big Island Invasive Species group did a training & two unimproved lots with Albizia on Moku Street were treated. Had hoped for a larger turn out but every little bit helps. BIIS is willing to do more training sessions and will be available in September. Contact Greg if interested. Also advised that if anyone wishes to join a NW Milestone "buying group" can do so for \$10.00 and will receive a 2oz bottle of Milestone which will be enough to treat many trees.

Greg advised that the process for the monthly drawing for a \$25 gas card was changed so all drivers/bikers from the driver's log for the previous month will be entered for the card. The winner of this month's gift card was Janet morrow.
