SHENG QI - *Life Generating*

North East

- Face this direction while you work
- Main door should face NE to attract auspicious money luck
- Sleep with head pointing NE to tap the auspicious wealth energies
- Place symbols of Wealth (gold ingots, God of Wealth, Arowana Fish) in this sector
- Avoid cluttering of the NE sector
- The Carp is an excellent symbol of wealth and abundance for this sector of your home or office.

TIAN YI - *Heavenly Doctor*

West

- Face this direction while you sleep to improve your health
- Stove should have its power point (fire mouth) face this direction to foster good health
- Sleep in the West room enhance your health
- Place a pair of brass Kei Loons in the west corner of your home to safe-guard your health
- Brass gourds or Wulou are great symbols of longevity and vibrant health for this corner of your room or house.

YAN NIAN - *Relationships*

North West

- Tap this direction to enhance your networking skills or improve your love relationships
- Sleeping in the NW room will help you improve relationships with your children and your spouse
- Enhance the NW with metal or brass objects.
- Place a Laughing Buddha with Gold Robes in the NW sector to help you foster happy ties with your loved ones or your lover.
- Attract the love of your life by placing a set of Mandarin Ducks next to the picture of the partner you desire in this corner of your bedroom.

FU WEI - *Stability*

South West

- Good room for meditation and self-cultivation
- Face this direction to mediate when in stress and under pressure
- Enhance this sector with Crystals and porcelain objects
- Fire element, or the color red is also helpful. Red flowers help enhance this sector.
- Avoid placing Dragon figurines in this sector

HUO HAI - *Mishaps*

East

- Working in this sector of the house gives you a lot of hassle and worries
- Avoid facing this direction while working
- RED, or the fire element helps weaken the element of this sector
- A painting of a mountain is very suitable for this area of the home.

WU GUI - Five Ghosts**South East**

- Facing this direction may cause you to lose business due to internal embezzlement or staff problems.
- Avoid activating this sector with WOOD element objects
- Diffuse the negative Qi from this direction by placing EARTH objects like porcelain vases, colored pebbles and crystals.
- Fire element objects like candles and red lampshades can also be used.
- The Four Heavenly Kings figurines are very suitable in this sector of your home. They symbolize protection from fraud, betrayal and back-stabbing.

LIU SHA - Six Killings**South**

- It is unwise to face this direction while you work or in meetings. You are likely to lose your authority and influence
- Sleeping in this direction deteriorates your health and concentration.
- You may lose your standing in your family or even in your social life
- Deactivate the SOUTH corner of your office or living room with CRYSTALS or EARTH related objects. Crystals belong to the EARTH element which weakens the FIRE element of the South
- Porcelain objects and your China collection is suitable to be placed in the South part of your home.
- Avoid entering your house through a door that faces South.

JUE MING - Total Loss**North**

- Avoid this direction at all costs.
- Your main door should not face or be located in the North sector of your home.
- Do not activate this corner of the home with Water
- Negate the sha-chi from this direction with a Brass Mirror facing North.
- Place a set of Kei Loons or Brass Pi You at the North Sector facing NORTH to defuse the negative Qi from this direction.
- If your office is in the North sector, place a Kuan Kong or god of War figurine behind your back to protect your from all your troubles and mishaps.
