GROUP West

SHENG QI - Life Generating

North West

- Place your main door in this sector of your home, facing the Northwest direction.
- Having your office room or table in this sector will enhance your wealth and career luck as well.
- The Happy Buddha or a Pot of Wealth is an excellent symbol of good fortune to have here in this sector
- Kei Loons are best kept in this sector facing the Northwest direction as a form of protection.

TIAN YI - Heavenly Doctor

South West

- The Southwest is the element of Earth. Enhance the area with earthy colors.
- The best method to tap the benefits of the Heavenly Doctor direction is to use a door that faces Southwest.
- Sleep in the Southwest sector/room to enhance your health and if you are looking for divine intervention.
- Activate the heavenly doctor in this sector by displaying a large Wu Lou.
- A pot of stones, earth and if possible semi precious stones is a good idea for this sector.

YAN NIAN - Relationships

North East

- To spice up your love life, place items that are made of porcelain that represent the Earth element.
- Rose Quartz Mandarin Ducks are one of the more popular enhancers that you can use here.
- A single Love Swan will work wonders for those looking for that perfect mate. Remember to remove it once you've met him/her. Then it's time to replace it with a pair of Mandarin Ducks.
- A double happiness symbol in this corner makes for an excellent enhancer.

FU WEI - Stability

West

- Tortoises may enhance the element of protection and stability of the Fu Wei sector.
- Excellent idea for a meditation or prayer room.
- Elephant figurines or paintings. They symbolize strength and steadiness, which is the essence of Fu Wei

HUO HAI - Mishaps

North

- Keep this sector relatively quiet and undisturbed.
- Avoid hanging your clock or moving objects in this sector that may stimulate the negative Ho Hai energy
- Placement of the Happy Buddha who is the epitome tranquility is suitable to be used as remedy in this sector

WU GUI - Five Ghosts**South**

- Avoid using this sector for work.
- Do not sleep in the South room. You may find your health suffers.
- To defuse the evil effects of the Five Ghosts in the South, it is advisable to place items made of Porcelain. A Porcelain Cup filled with Earthy material or rice is a good idea.
- The Crystal Lotus Flower works to stabilize the Qi in this area. Note that it is also considered an Earth element which reduces the effect of this sector.

LIU SHA - Six Killings**South East**

- It is unwise to face this direction while in important meetings and discussions. Your authority and influence could be compromised.
- Sleeping in this direction may cause you to not only lose sleep, but eventually fall ill.
- You may lose your standing in your family or even in your social life
- Deactivate the SOUTHEAST sector by using the elements of Fire. Paint the area red or place some traditional Kei Loons as guardians of the area.
- Avoid entering your house through a door that faces Southeast.

JUE MING - Total Loss**East**

- This will bring certain detriment to you if facing this sector at work.
- A main door facing this direction will lead to a case of lost wealth and family disharmony.
- Suppress the Jue Ming's evil nature in this sector by placing the God of War (Kuan Kong) figurine
- The best remedy is of course to locate the Kitchen here if possible.
