

Your Gua Number is **9**

**GUA No.** 9  
**TRIGRAM** Li  
**ELEMENT** Fire  
**COLOR** Red  
**GROUP** East

**SHENG QI - Life Generating**

- East**
- Wealth direction. Main door should face South to tap auspicious Wealth Qi
  - Tap to this direction while you work and sleep to enhance your Wealth luck.
  - Enhance this sector with the placement of horses and phoenixes.
  - Red color is suitable here
  - A sailing ship loaded with Gold-ingots is to be placed coming FROM this direction

**TIAN YI - Heavenly Doctor**

- South East**
- Water in the Southeast is auspicious as the element of wood here will be nourished.
  - Tiger figurines can have a guardian like nature in the Southeast
  - Crystals to enhance the Health Qi from the Heavenly Doctor
  - Wulou or Crystal Gourds to symbolize good health and speedy recovery from illness

**YAN NIAN - Relationships**

- North**
- Relationships will benefit if you use this sector more often.
  - Strengthen family ties by sleeping with your head facing the North.
  - If you're looking to get married, an aquarium or a symbolic fish will work wonders here.
  - If you're going through a rough patch, try a Pair of Dragon Carps. One made of metal, depicted crossing the Dragon Gates would be the perfect combination. Symbolizing a couple weathering the relationship storms.

**FU WEI - Stability**

- South**
- After a hectic day at work, rest your weary mind by meditating in this sector.
  - Activate your Fu Wei with the elements of Fire. A Phoenix is recommended.
  - The wise Turtle, which symbolize stability and great knowledge is very suitable to be placed in this sector
  - An alternative would be 7 Elephants. Placed in a row, they are said to signify undefeatable support.

## **HUO HAI - Mishaps**

### **North East**

- A pair of Metal Kei Loons will serve as both guardians and also weaken the power of your Huo Hai sector.
- Avoid facing this direction while working or sleeping.
- A painting of a calm, stable mountain is very suitable for this area of the home.

## **WU GUI - Five Ghosts**

### **West**

- Those hectically involved in business may face delinquency and a loss of money if facing the West.
- Avoid activating this sector with Earth, instead choose Water based items to reduce the Wu Gui effects.
- The Four Heavenly Kings figurines are very suitable in this sector of your home. They symbolize protection from fraud, betrayal and back-stabbing.

## **LIU SHA - Six Killings**

### **South West**

- Counteract the evil influence of the Six Killings in the Southwest by placing a pair of Traditional Kei Loons facing towards this direction.
- Earth element objects should not be used to activate this sector.
- Place your storeroom or toilets in this sector of your home to suppress the evil influence of the Six Killings

## **JUE MING - Total Loss**

### **North West**

- This sector is your personal danger zone. Avoid it at all costs.
- Reduce the metal effect of this sector using a fountain here if possible.
- Crystals are also said to be items that can absorb the negative effect of this sector.
