Dear President McKim and Secretary Smith:

Thank you for the Resolutions your unit submitted for consideration by the 2022 NAACP Resolutions Committee. The Committee extends its deep appreciation to the members of Manchester, NH who took the time to thoughtfully propose policies intended to forward the work of the Association.

The Committee would like to report the following outcome of your Resolutions, please see the attached results.

Only Resolutions that are concurred will be considered at the Legislative Session of the National Convention at its Legislative Session. All Resolutions are subject to amendment by the Resolutions Committee. Resolutions may have been non-concurred due to lack of newness, divergence with standing policy, lack of substantive merit or have been forwarded to the President or Board for further consideration.

We truly appreciate your Unit's participation in the NAACP Resolutions process and look forward to continuing to work together on implementation of the Association's Strategic Plan.

Sincerely

Leon Russell
