SPECIAL ADVERTISING OPPORTUNITY FOR BUSINESSES IN AND AROUND CLARENCE!

First – If you placed an ad with us last year, THANK YOU! This is a great opportunity to show your community support as a civic-minded business and at the same time let thousands of concert-goers know who you are and what you do. Summer is coming, and we look forward to the beautiful sounds of the Clarence Concerts in the Park again on Sundays in late June/July/early August at 7pm. These concerts are held in the glorious outdoor setting of the Main Street Clarence Town Park. We are planning outstanding diverse performances this summer so please join us in making this season a success.

The Clarence Concert Association invites you to advertise with us by placing an ad in our professionally designed concert program. All ads are presented at all 6 concerts and a link to your website is added to our website. As we normally have over 1500 attendees per concert, your ad will be well read. Business revenue is extremely important to us and greatly appreciated. Major contributions of \$2,000 or more will be recognized not only in the programs but in a banner position on the programs, slingers, our website and at the concerts.
