OUR COMPANY CAN

- Screen medical cases to eliminate the expense of nonmeritorious lawsuits
- Analyze electronic medical records, hospital policies and procedures and interpret their relevance to your case
- Identify and locate the best medical expert witnesses to strengthen the credibility of your case
- Develop reports and chronologies to highlight the significant medical events and how they fit into the overall case analysis

THE DIFFERENCE BETWEEN WINNING & LOSING A CASE

“Certified Legal Nurse Consultants know how to turn even the most involved case into a coherent, interesting narrative that I'm able to easily follow and present persuasively to the jury. No one else could do what a CLNC® consultant can do to save me time and money in preparing medical-related cases. Working with a CLNC® consultant makes me a better lawyer and plays a big role in my success!”
