Dear Our Lady of Hope member,

Welcome to Our Lady of Hope Catholic Church. We have a great opportunity for you to become a Knight and serve your church community. The Knights are a fraternal organization that help in many aspects of our church community.

This year our council was just recognized as the Top Council in the state of Florida. Our programs are unmatched in the state. We have plans to expand our help and service to the church and community. That means that we could use your membership to help even more. We need and want your membership even if you only dedicate a few hours a year.

Some of things our council does is to provide needed items to the homeless, build houses, shop for people in quarantine, help community members prepare and recover from hurricanes, provide spiritual programs, engage in youth programs and provide funding for pregnant women, assisting many other community based programs and conduct many family social activities..

Because of the Covid Virus our membership opportunities are now online and quite simple to join, right from home and is open to your family. Information is available on Knights8086.com and see the "(join the knights online) tab. Please contact me either by text, phone, or mail to get more information.

I look forward to hearing from you. God bless.

Sincerely,
Knights of Columbus
Council 8086
