Knights of Columbus Council 8086 Mission Statement as it pertains to the life of the Unborn.

As a Knight of Columbus and as a Catholic Gentlemen it is solely our belief that all life is sacred from conception until natural death. We as brothers will defend the lives of the unborn as Our Savior Jesus Christ has taught us. Our mission with this Life Saving Event that we call "An Evening with the Knights" is to raise monies for the continued support of women's pregnancy centers and to also raise awareness that no one person has the right to end the life of the unborn and that abortion is a sin.

We are so incredibly happy to announce that our 2026 fund raising banquet will take place on January 10th at Our Lady of Hope Catholic Church. This will be the third year the parish has opened its doors and has welcomed the community. We would like to thank the parish and Father Matt Mello for their continued support and help as we prepare for this next event.

In past years we have supported this fundraiser at the council level and have raised substantial funds to assist in the purchase of Ultrasound machines (14 machines placed to date) and assist the centers financially when possible. As times change, and needs grow bigger, we are now looking for sponsorship to complete our goal this year to raise \$65000.00. Achieving this goal will not be easy but will be possible with your help and support. This approach will lead to greater support and larger attendance, which will lead to greater awareness and involvement in this ministry.

Sponsorship does not obligate you to attend the event, but your attendance would be appreciated as we continue to grow in support and knowledge of the needs these women's centers face each day.

To support this event and become a sponsor, see the two options listed below:

- ❖ Mail: Send completed sponsor form and payment via mail to:
Our Lady of Hope Catholic Church, 4675 S Clyde Morris Blvd, Port Orange FL 32129
Attn: Life Director Vito M Benedetto
- ❖ Visit: Knights8086.com and donate to be a sponsor online.

Because planning takes time, we would appreciate payment by September 8th, 2025.

Thank you in advance for your generous support as we continue to save the lives of the unborn.
