

# HEALSTONE BIOTECH INC.

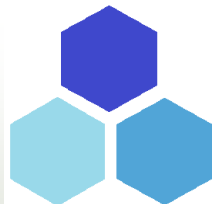

## Product Data: Phenylcyclidine (PCP) Antigen

|               |                                                                         |
|---------------|-------------------------------------------------------------------------|
| Product Name  | PCP-BSA                                                                 |
| Product No.   | PCP-HS-001                                                              |
| Qty/Pack Size | 1 mg                                                                    |
| Description   | Liquid; BSA conjugated Phenylcyclidine antigen                          |
| Preservative  | 0.02% Sodium Azide                                                      |
| Supplied in   | Phosphate Buffered Saline pH 7.2                                        |
| Applications  | ELISA, Lateral Flow                                                     |
| Storage       | Short term: 2-8°C; Long term: -20°C; avoid repeated freeze-thaw cycles. |

Made in Canada

Not for human, therapeutic, or in-vivo use.
