

MAY 2026

Little Plante's Family Daycare

Reminders/Important Information

Hello, Spring!

As the weather warms up, please ensure that the children have appropriate clothing for outdoor activities.

****Text Before Pick-Up**.** With increased outdoor play, we need to stay prepared for all the adventures kids may have, such as exploring rocks, dirt, and sand. This will help us anticipate your arrival and take the necessary safety measures. The safety of all children is always our top priority.

Additionally, please complete and return the summer interest form as soon as possible, even if you do not plan to use Little Plante's Family Daycare for summer care. Days of operation are T-W-Thurs. hrs are 8-4. You are not required to pay for my summer vacations and only need pay for the weeks that you commit to.
