Updates

BIG NEWS! We would like to officially welcome Abigail (Abby) Coe as a daycare assistant. She will be joining us a few hours a day to help as needed. She will work alongside us as an extra pair of hands and eyes. She's a referral from a previous daycare

family. She is a Junior at Westfield State University studying General Science 5-8th grade. Along with being a busy student, she has been babysitting for the past five years. She has also been substitute teaching for Westfield and Monson Schools

In other news, we want to thank you for being diligent to keep your child home from daycare when your child isn't feeling well. We understand the inconvenience it causes. We appreciate your attention to this as we try and keep everyone healthy, especially during the upcoming holiday season. We will be doing everything at the daycare to mitigate the spread of illness. We will continue to wash and disinfect the toys. We will reinforce coughing and sneezing into our arm as well as washing hands in between.

Special Projects

Thanksgiving crafts

Upcoming Events

November 11: Closed Veteran's Day
