

LITTLE PLANTE'S NEWSLETTER

APRIL 2025

What We Learned

Letters/Heggerty

This month we will be working on Letters Q, R, and S. We will continue to work through the Heggerty Program as it highlights the alphabet as well as phonological awareness skills for our soon to be preschoolers.

Planting

We will begin planting this month as we welcome warmer weather. We are crossing our fingers in hopes that we will see blooms in May!

Celebrations

This month we have lots to be celebrating. We have many birthdays. We plan on celebrating these birthdays on April 17. We will also be doing a few Easter inspired crafts to go along with this month.

Reminders

April 18th: No Daycare
