

Georgia Pro Players received its 501c3 nonprofit status in 2007. We are a service organization for former professional football, baseball, basketball, hockey, olympics and other sports enthusiasts. These individuals voluntarily support youth charities and former sport players.

This golf tournament is supported by the Metro-Atlanta Chapter of the NFLPA. The chapter was organized in 1985 to bring together former professional football players that lived in the metro Atlanta area to create pride and presence in the community and youth charities.

In 1996 the Professional Athletes Foundation (PAF) established a student scholarship program designed to provide financial assistance to a post secondary bound male and female student athlete in the Metro Atlanta area.
