MVURA/FreeFlow - Music CD

Loveness Wesa and the Bantu Band

MVURA means Water in the Shona language. This CD was composed and produced to honor the sacred place water has in all our lives and the life of our mother Earth. Listen to traditional Zimbabwe inspired music and feel your connection to the rhythms, the spirit and the creative joy of the people.

If Only... Is Just If Only - Audio CD or Book by Zimbabwean Story Teller and Author Dorothy Rudzi Wright

Dorothy Nhamo Chirembure (Dorothy Rudzi) was born and raised in Zimbabwe. She has worked as singer/songwriter, actor, writer, storyteller, and professional speaker. Currently living in the United States, she organizes efforts to help the people of Zimbabwe. These efforts help send clothing and other household items to people in need. She has been working with villages in the country to help build wells that will produce water for the people.

Wamba: We Are Coming - Music CD

Richard Mensah Sokpor

At a young age Richard joined the National Dance Company in Ghana and toured the world and taught dance classes and workshops. During his tenure, he learned all the different drumming styles and individual drums/percussion parts to all the Ghanaian dances and this Music CD is the result.

DanceFit: African Workshop - Video DVD

Richard Mensah Sokpor

This is a good chance to learn traditional Ghana dance from the source. Starting his career with the National Dance Company in Ghana, Richard has traveled the world teaching and performing traditional dance. His performances and teaching include many other styles of dance along with African drumming. The dances are a great way to have fun, stay in shape, and learn something new. It's a combination of an aerobic and core strengthening workout with exciting dance moves.
