"Notaries4Alabama is a vitally important group for the state. It's the only group providing certified training for notaries and it makes sure that notaries stay up to date with current laws."

John Merrill, Sec. of State

Mission Statement: To advance the knowledge and education of notaries concerning state requirements and national best practices. Serve as an advocate concerning issues that directly affect notaries. Foster communication and serve as a bridge between notaries, the Alabama Secretary of State office, and the Probate Judges of the various counties in Alabama.
