

THE PATRIOT PRESS

Hello and Welcome!

Welcome to the first issue of The Patriot Press, an online newsletter designed to keep you informed about club activities, and to provide you with useful information about our wonderful breed. We're just getting started, but we have lots of great content planned and look forward to seeing you at one of our many events!

Does Your Dog Have The Need for Speed?

Fast CAT might be your perfect dog sport!! Many dogs love the thrill of chasing a lure down the 100-yard track, and once they accumulate enough points, they earn a title!
