ALOHA FUREVER PETS FOUNDATION

FROM THE HEART: ALOHA FUREVER PETS FOUNDATION

As we welcome a new year, we want to pause for a moment and reflect on the incredible momentum we've built together over the past two months. December and January were filled with compassion, creativity, and meaningful progress for the animals of Maui - and none of it would be possible without you

DECEMBER HIGHLIGHTS

December was full of job, connection, and community spirit. One of our favorite moments was our Naughty or Nice holiday photo shoot, where animals and their humans came together for festive photos that celebrated personality, playfulness, and love. The event was a wonderful success - bringing smiles, strengthening community bonds,

and helping raise awareness and support for our mission in such a fun, heartfelt way. Alongside the holiday cheer, December also allowed us to continue building sharing our vision, and closing out the year grounded in gratitude for everyone who has supported Aloha FurEver Pets Foundation from the very beginning.

JANUARY HIGHLIGHTS

January kicked off with one of our most impactful milestones yet - our first large-scale spay and neuter clinic, where 122 cats received lifesaving care in a single day. Working alongside compassionate veterinarians, dedicated trappers, and incredible volunteers, we witnessed firsthand what collaboration and commitment can accomplish.

LIFESAVING
CARE,
POWERED BY
COMMUNITY.

The clinic wasn't just about numbers - it was about reducing future suffering, supporting caregivers, and making long-term change possible for Maui's animal population. It was emotional, powerful, and deeply affirming of why this work matters so much.

Gratitude from the bottom of our hearts to our volunteers, veterinary partners, donors, trappers, and supporters: thank you for believing in this mission and showing up in so many ways. Every share, donation, conversation, and helping hand creates real impact - and we are endlessly grateful.

LOOKING AHEAD

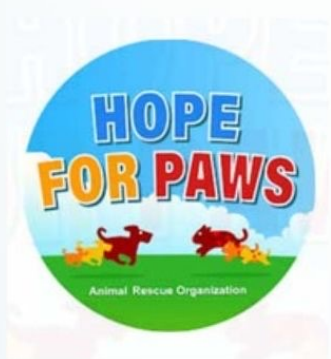

As we move forward into 2026, we're excited to continue expanding our programs, hosting more clinics, and deepening our roots within the community. This is only the beginning, and we're so honored to have you walking alongside us.

With aloha and appreciation,
Aloha FurEver Pets Foundation

Together, we are creating a kinder future for Maui's animals.
