

# Sponsor a Clinic

*Be Part of the Solution for Maui's Animals*

## Did you know?

Maui currently has limited access to affordable spay and neuter services for both dogs and cats. At the same time, our island continues to face a growing feral cat population placing strain on caregivers, shelters, and local resources.

## You Can Make A Direct Impact

At Aloha FurEver Pets Foundation (AFPF), our mission is to expand access to affordable spay and neuter programs for both owned pets and community cats. Through strategic partnerships with veterinary providers and animal welfare organizations, we aim to:

- Organize and sponsor spay/neuter clinics
- Increase availability for pet owners
- Support feral cat population control
- Promote responsible pet ownership across Maui

## Benefits of Sponsoring

- ✓ Tax-deductable contribution
- ✓ Recognition across AFPF marketing platforms
- ✓ Press, social media, and radio promotion
- ✓ Business or individual spotlight features
- ✓ Community goodwill and increased visibility
- ✓ Event recognition

This isn't just a donation – it's an investment in prevention and community well-being.
