

Love at first bite!

Menu is a healthy maintenance diet for adult dogs.

It contains all the vitamins, minerals and amino acids needed to sustain balanced health. Carefully selected, quality ingredients ensure dogs enjoy every mouthful.

Why Menu?

Balanced levels of essential vitamins and minerals to support all the body's systems.

Quality ingredients, including added fat coating for ***maximum taste*** and increased palatability.

Good quality protein sources made in our very own Render Plant guaranteeing freshness and promoting healthy digestion.

Locally produced under strict food safety regulations.

All the ingredients for a strong, healthy, happy dog.
