

TRUSTY

Highly nutritious, dependably delicious.

The name Trusty represents a commitment to providing pets with highly nutritious meals that owners can rely on for quality and taste - just as dogs depend on their owners for love, care, and sustenance.

Trusty is formulated by a leading South African Petfood Nutritionist and contains all the essential vitamins, minerals and proteins required for the health and well-being of dogs and cats.

**Because we depend
on each other.**

Vitamins

For clear vision and good metabolism

Minerals

For strong teeth, bones and nerve function

Protein

For strong muscles and good health
