Q&A:

Q1: How far away are the homes from Disney World.

A1: *Estimate is 20 minutes drive away. Couldn't get exact time since I don't have the exact address.*

Q2: Why are the homes so expensive?

A2: *I tried to find the best value for lodge. Others were \$800 to \$900 per night. The ones select below are in the \$500 per night range.*

Q3: How far are the grocery stores?

A3: *Based on review seems many groceries store are close. Costco is 15 mins away.*

Q4: When do you need a decision?

A4: *Please review schedule, interest, and cost. **We would have a zoom call the weekend of March 8th to answer any questions and get commitment by Friday, March 14th at the latest since events seems to get booked.***

Q5: I'm in, where can I find a training schedule?

A5: *You can download the training schedule at www.runsrc.org.*

Please let me know if you have any other questions and I will try to get an answer for you.

Cost Details Below:

The following were the cost for this year's (2025) races. The cost for the 2026 is still TBD but more than likely similar to the following costs. I've circled in red the races I felt would be most common.
