INSTALLATION GUIDE

HONDA ST-1300 DRIVER BACKREST

1. Place your bike on center stand in safe place.
2. Remove the driver seat and place upside down on a bench or table.
3. Remove the two (2) screws that hold the bracket for the passenger seat to the rear of the driver seat.
4. Place your backrest onto the rear of the driver seat between the seat and the bracket for the passenger seat.

NOTE: The rear passenger seat bracket is directional. If the bracket is not re-installed correctly, the seats will not fit together properly.

5. Install the two (2) screws provided and tighten.
6. Re-install the seat on your bike. Adjust to your liking.
