# About Our Products

**The best work from us for  
your business**

## **Knitted Fabric**

Premium TC, CVC, Polyester, Cotton, and Twist Yarn fabrics, offering versatility for fashion, activewear, and daily essentials.

## **Woven Fabric**

A curated selection of Plain, Twill, Satin, and Jacquard weaves crafted from Cotton, Silk, Wool, and Synthetic fibers - ideal for apparel, uniform, uniforms, and premium fashion.

# Product list

01

## Knit Fabric

Cotton  
Cotton Blend  
Synthetic Fabric

02

## Woven Fabric

Plain  
Twill  
Dobby

03

## Certificate

BCI, RCS  
GRS, OCS

04

## Application

Apparel Solutions  
Industrial Use

A large roll of light-colored knit fabric is being processed by a machine. The fabric is unspooling from a large roll on the left and moving towards the right. The machine has a perforated metal surface at the bottom. The background is a blurred industrial setting.

# Knit fabric
