

CAIRNS SAINTS FOOTBALL AND NETBALL CLUB

NETBALL - COLLECTION OF CHILDREN UNDER 15 YEARS AT THE CONCLUSION OF TRAINING POLICY

Purpose

Once training and/or games are finished, the Cairns Saints AFNC Netball Coaches are responsible for club players up until they are collected safely from the Cairns Netball Courts in Martyn Street by a parent/guardian or responsible adult. It is expected that parents/guardians or responsible adults will collect players at the conclusion of training or games, within close proximity to the finish time of training and/or games if they have not been present or were not present for the duration of training and/or games.

Responsibility

Cairns Saints AFNC Netball players under 15 years of age are to be collected safely by a parent/guardian or responsible adult from within the secure gated area of the Cairns Netball Court precinct in Martyn Street. Under no circumstances are children permitted to be waiting in the carpark for collection. Cairns Saints AFNC Netball Coaches are to sight the parent/guardian or responsible adult if they remain in their vehicle. The preferred method of collection for all Cairns Saints Netball players under the age of 15 years is for the parent/guardian to collect from the court side.

Process

If parent/guardian or responsible adult are not at the netball courts at the conclusion of training, Cairns Saints AFNC Netball Coaches are to stay with the player until their parent/guardian or responsible adult arrives. In the instance that the Coach continues to train or play they must ensure the player is kept in sight at all times until they are collected by a parent/guardian or responsible adult. If the associated Cairns Saints AFNC Netball Coach for that team has to leave the Cairns Netball Courts, the player may be supervised by another Cairns Saints AFNC Netball Coach or club affiliate. Parents/guardians or responsible adult are to make direct contact with the Coach if alternative arrangements are made for the collection of their child. Cairns Saints AFNC Netball Coaches are to contact parents/guardians or responsible adults if players under the age of 15 years remain at the Cairns Netball Courts 15 minutes after training and/or games are scheduled to finish.
