

CAIRNS SAINTS FOOTBALL AND NETBALL CLUB VOLUNTEERS POLICY

Purpose

The Club Community is strengthened through the involvement of everyone that is associated with the Cairns Saints Australian Football and Netball Club. This also allocates the workload fairly and ensures a better day for all involved, particularly our children. The Club expects and encourages the involvement of all parents and guardians associated with the Club, particularly during training and on match days. It is important that all Parents / Guardians recognise that everyone involved in the Club is a volunteer who is giving their time for the benefit of their children and the Club community.
