

Dana (Fram) Pride has graciously volunteered to put together a final Memory Book.

A request from Dana:

Whether you purchase the book or not, others enjoy hearing class news, so if you would please be so kind as to aid this process. And.....please send ASAP for compiling.

The plan is to have a booklet published that anyone can access and purchase online, independently for a small price, roughly \$20-30. We will send out more specific information later.

For now, we are just gathering your info.

So, again please and SPREAD THE WORD and PLAN TO ATTEND and help this process as much as you can.
