

WATER^{ST.} BRASS

DECORATIVE
CABINET HARDWARE

THE BEGINNING

Inspired by American Heritage

- Based in Jamestown, New York, a city known for its rich furniture-making heritage
- Founded as Jamestown Furniture Hardware and evolved into Water Street Brass
- Trusted by architects, interior designers, and homeowners nationwide
- Expanded from furniture fittings to a comprehensive range of cabinet, door, and furniture hardware.
- Combines design, craftsmanship, and functionality to create distinctive decorative hardware
- Dedicated team of designers and artisans focused on quality and beauty
- Every product reflects a commitment to Jamestown's tradition of craftsmanship and modern living.

OUR DIFFERENCE

Quality, Made to Order

- In-house design, engineering, machining, and finishing from solid raw brass
- An extensive range of pulls and coordinating knobs and levers allows for consistency throughout the home while accommodating varying cabinet, drawer, and door styles
- Made-to-order flexibility with extensive finish, texture, and sizing options, up to 72"
- Back-to-back pull configurations and engraving available on select products
- Consistent quality and finish control
- American-made craftsmanship and responsive project support

CABINET HARDWARE COLLECTIONS

WATER^{ST.}
BRASS

VESTIGE

MODERN SCULPTURE

VESTIGE is a sculptural, highly customizable hardware collection that draws inspiration from the pure forms of artist Ellsworth Kelly and the bold simplicity of classic 1980s American sportswear

Photography: Addie Juell

VESTIGE

MODERN SCULPTURE

A 2026 NYC X Design Finalist, VESTIGE is available in three considered configurations: all-metal, brass inlay, and wood inlay.

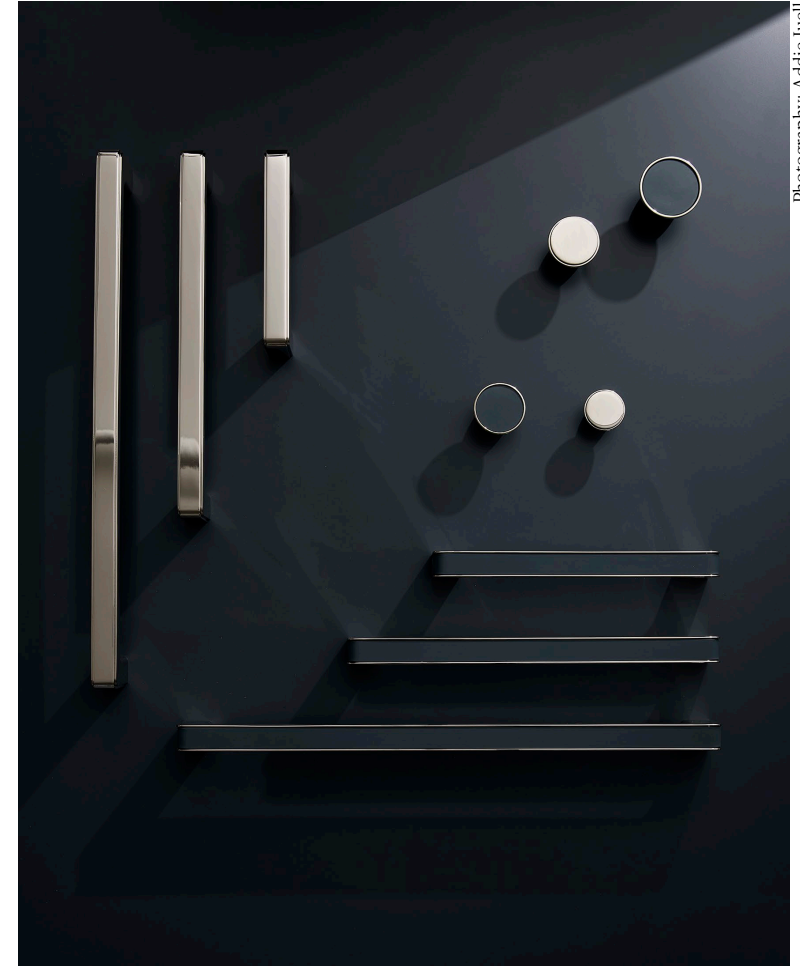

Photography: Addie Juel

VESTIGE

MODERN SCULPTURE

These metal and wood inlays can be matched or contrasted to surrounding cabinetry to support both consistency and variation within a project.

Photography: Addie Juel

VESTIGE

MODERN SCULPTURE

VESTIGE gives designers exceptional control over how hardware interacts with surrounding architecture, materials, and surfaces.

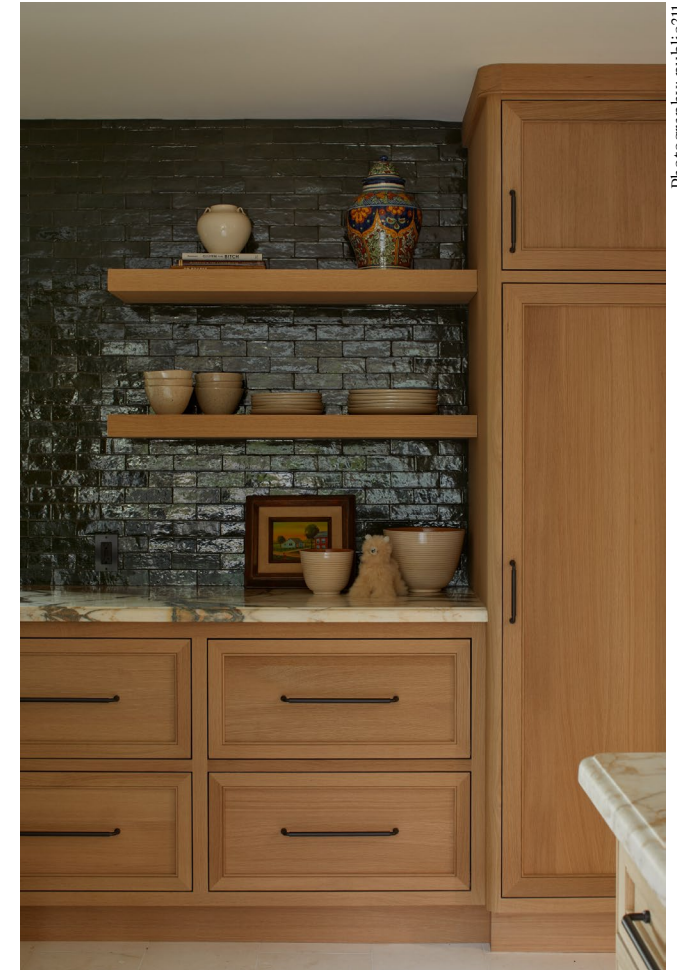

MADISON

AMERICAN CRAFT

One of our best-selling collections, MADISON is a go-to choice for designers seeking a hardware solution that transcends trends.

Clean lines and balanced proportions make MADISON equally at home in transitional, traditional, and contemporary spaces.

HUDSON

SLEEK CLASSICISM

Photography: Lauren Miller

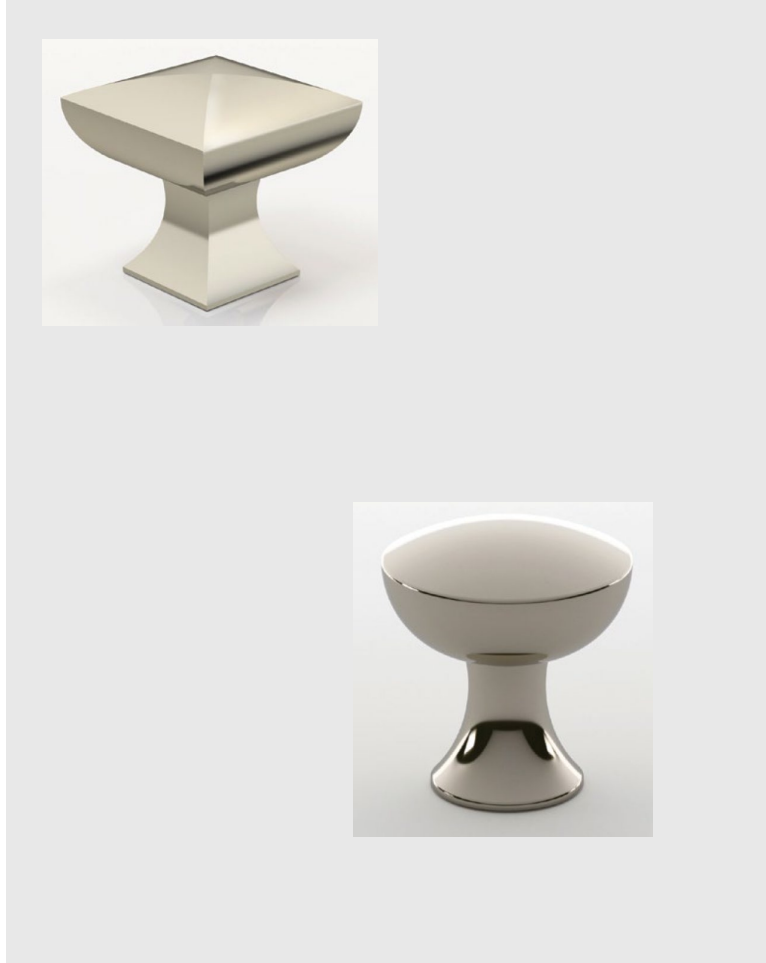

Inspired by the principles of classicism, HUDSON balances clean lines with subtle detailing, creating hardware that feels both sophisticated and enduring.

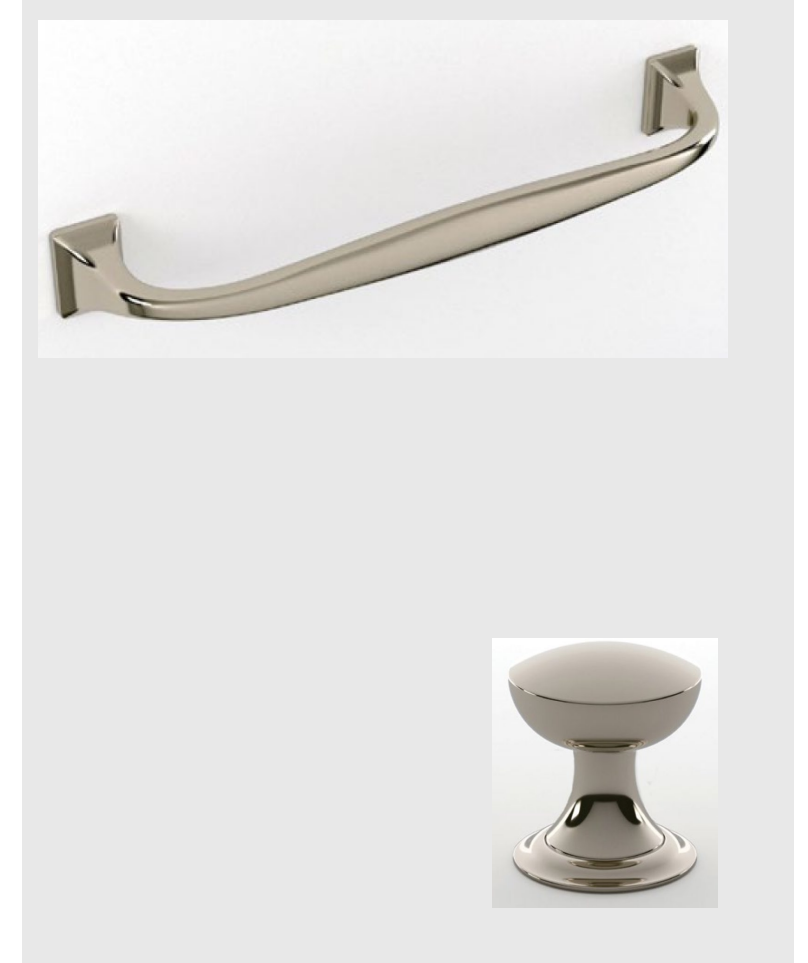

LEXINGTON

REFINED ERGONOMICS

LEXINGTON is a refined, transitional design with ergonomic comfort that works well in both classic and contemporary interiors.

KENWOOD

ICONIC VINTAGE

Photography: public311

KENWOOD was inspired by the iconic control knobs of vintage hi-fi audio equipment. Geometric forms take texture beautifully, recalling the era when every detail was engineered to be touched and appreciated.

MANOR

BOLD ARCHITECTURE

Bold geometric forms and crisp lines define MANOR, bringing a strong, architectural presence to industrial and contemporary interiors. Also offered with a wood inlay that adds warmth and contrast to the design.

PORT ROYAL

SIGNATURE ELEGANCE

The PORT ROYAL collection embodies old-world design. Rich in character, each piece conveys a sense of permanence and quality. These images highlight the immense, custom scale that WSB can achieve.

JAMESTOWN

DECORATIVE CLASSICS

Photography: Addie Juell

Classic and enduring, JAMESTOWN is our decorative collection and showcases fine lines and beaded details to enhance the character of country estates and historic homes.

TAB PULLS

UTILITARIAN

Photography: Addie Juell

A minimal TAB PULL collection is defined by its utilitarian and timeless appeal. Clean and unobtrusive, it integrates seamlessly into both residential and commercial environments.
