JAMESTOWN

CABINET HARDWARE  
DISPLAY PROGRAM

# CABINET HARDWARE DISPLAY PROGRAM

## HUDSON

ITEM # WSDB0076

This collection features clean lines and sleek designs that complement any contemporary or transitional décor.

## JAMESTOWN & BEAD

ITEM # WSDB0080

This exquisite collection couples simplicity of line with classic styling to elevate any traditional design.

## KENWOOD

ITEM # WSDB0075

A stunning blend of mid-century modern style in solid brass, the Kenwood collection offers a range of style choices, from versatile knob sizes to complementing back plates.

## MANOR

ITEM # WSDB0077

This collection features bold geometric design elements and clean lines, perfect for more industrial or contemporary interiors.

## PORT ROYAL

ITEM # WSDB0007

A softer line with beautiful detailing and knurling options, Port Royal will stand out anywhere it goes.

## TAB PULLS

ITEM # WSDB0057

Surface and top mount styles along with knurling and hammered options make this contemporary Tab Pull collection versatile and perfect for so many applications.

LARGE BOARD: 24" X 28"

**KINSLEY**

ITEM # WSDB0071

A clean-lined modern pull with coordinating hourglass and square knobs, Kinsley will complement other pulls and knobs or shine bright all on its own.

**LEXINGTON**

ITEM # WSDB0005

This collection's sleek transitional design can be classic or contemporary with a comfortable ergonomic feel.

**MADISON**

ITEM # WSDB0010

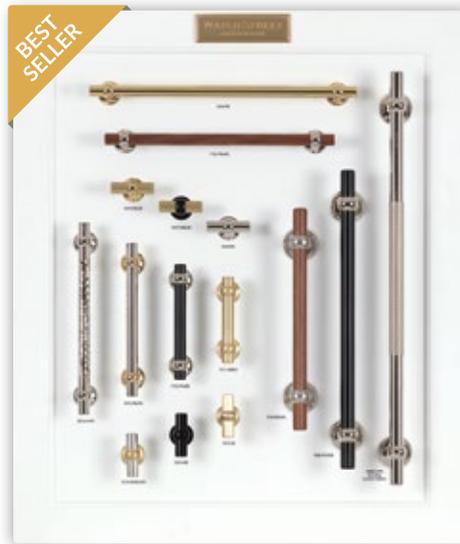

A clean, transitional collection with a delicate flair that will elevate any style of cabinetry.

**TERRACE**

ITEM # WSDB0006

This distinctive contemporary design features cascading tiers coupled with strong geometric elements.

**URBAN LOFT**

ITEM # WSDB0058

Industrial and edgy, but streamlined and classic. This collection looks great in solid or split finishes and offers a walnut combination as a standard.

**FINISHES**

ITEM # WSDB0009

Our solid brass hardware is available in 34 standard finishes as well as a selection of PVD finishes.
