

# Your Kitchen Partner

hangrohe

hangrohe brings faucets and complementary solutions into one cohesive kitchen offering, enabling consistent design and confident planning across the entire space.

With several finishes and a versatile design language ranging from transitional to modern, the portfolio complements a wide variety of kitchen styles while maintaining a harmonious look.

Joleena Semi-Pro

Joleena HighArc

## Joleena Kitchen Faucets, 1.75 GPM

Joleena kitchen faucets bring transitional design and everyday versatility to the heart of the home, with a choice of semi-pro and high-arc styles and two spray functions for added convenience. Available in six stunning finishes, Joleena makes it easy to find the perfect design for any kitchen style.

## Joleena Prep Faucet, 1.75 GPM

Inspired by everyday moments, the Joleena Prep Faucet combines timeless transitional design with effortless functionality, featuring a versatile pull-down sprayhead to enhance every task around the sink.

## Joleena Bar Faucet, 1.5 GPM

Designed for convenience beyond the main sink, its compact profile and swiveling spout bring flexible water access to bar and secondary sinks.

## Transitional Cold Water Dispenser, 1.5 GPM

The Transitional Cold Water Dispenser brings an elevated touch to the kitchen, providing convenient access to filtered drinking water while complementing the Joleena collection and other hangrohe kitchen solutions.

## Transitional Pot Filler, 4.0 GPM

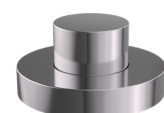

Bring a classic refined touch to the kitchen, with a 180° swivel spout that provides added reach and convenience while complementing hangrohe kitchen collections.

## Air Switch and Air Gap

The hangrohe Air Switch and Air Gap offer convenient disposer control and reliable drainage in seven versatile finishes for a beautifully coordinated look.
