Matte Black

**Joleena® Semi-Pro Kitchen Faucet,
2-Spray, 1.75 GPM
04792670**

Matte Black (-67X)

A clean, bold statement of class that has the look of exclusivity. The highly popular Matte Black finish creates contrast in spaces with light tones and an abundance of natural light. A perfect fit for contemporary modern and transitional homes. Easy to match with other items of decor. Easy to clean and shows little to no water spots, fingerprints, and dirt.

**Talis® S² HighArc Kitchen Faucet,
2-Spray Pull-Down, 1.75 GPM
14877251**

Brushed Gold Optic (-25X)

An expression of timeless elegance and prestige that is highly remarkable. The striking tone and texture of Brushed Gold Optic will add an impressive focal point in the kitchen that will demand attention. Hansgrohe offers kitchen faucets in this finish that will work for traditional, modern, and transitional interiors.

Brushed Gold Optic

Brushed Black Chrome

Talis® E Single-Hole Faucet 110 with
Pop-Up Drain, 1.2 GPM
#71710341

Brushed Black Chrome (-34X)

A prominent expression of modern style. Brushed Black Chrome can add contrast to light walls and countertops, or it can be used in darker rooms for a more masculine vibe. The brush strokes and dark gray tone give this finish a raw, machine-like quality that would work well with an industrial chic design approach that is popular in loft-style interiors with exposed walls.
