

*To our Valued Customers,*

*As the situation around novel coronavirus (COVID-19) continues to evolve, we are doing everything we can to ensure your safety and provide minimum service with maximum flexibility. The Hidden Spot values health and safety as our number one priority for those who walk through our doors. Because of this, our banquet halls and restaurant have always adhered to strict sanitary guidelines.*

*During the COVID-19 outbreak, we have set even higher standards than required with more frequent sanitizing procedures throughout our entire facility and additional staff training on the CDC's new standards to reduce the risk of contracting the virus. We have met with our entire staff and trained on how to adhere to these important measures and methods to aid in keeping employees and guests who enter our facilities healthy and safe. We will continue to monitor the COVID-19 outbreak recommendations and will make adjustments as deemed necessary by the Centers for Disease Control and Prevention.*

*We value our clientele and our team and appreciate your help during this uncertain time. We ask our employees, guests and vendors, if you have any signs of illness or know that you have been exposed to COVID-19, please stay home. Let's reduce the spread of this virus together.*

*Warren Williford*
