

Parts of Speech: Tips

- Remember **ALL** 9 parts of speech.
 - They will be very useful later on.
- Use **F.A.N.B.O.Y.S.** (**f**or, **a**nd, **n**or, **b**ut, **o**r, **y**et, **s**o) to remember coordinating conjunctions.
- Remember the tenses (**past, present, and future**) when using verbs.
- Know **all the little details** of each part of speech
 - It's always the little parts that confuse students the most
 - If you are clear with the little parts, you will do well in future English and Grammar classes
- **Never think grammar is easy!**
 - People start thinking that grammar is easy and forget important rules.
 - It is important to know all these rules because these are the basics for the **whole English language**.
