

## **Tenses: Tips**

- If you have a **test** on tenses coming up, make sure you **thoroughly** understand **all of the tenses**.
- Know the key words **in front** and **on the end** of each verb!
- **Know the difference** between each tense, as they are **very similar**!
- Add **different** types of tenses to add **variety** to your writing, but **make sure** it makes sense. **DON'T MIX AND MATCH TENSES!**
