

Rap A Tap Center For The Arts Code of Ethics

Rap A Tap Center For The Arts is a place where every person can enjoy dance. From the young child to the seasoned adult, dance is a great activity that can be experienced at any stage of life. It is our strong belief that dance can transcend all. We want to train great dancers, but most importantly, we want to train good human beings, who will have a confidence, and a humbleness about them that can be attributed to the atmosphere and the attitude we create with the students in our program.
