**The office must receive these completed forms before we can process your application. Please double check for signatures where applicable. All applications must be turned in by May 1, 2022 to be eligible for a seat for the 2022/2023 school year. Applications received after May 1, 2022 will go on the entiretyK12 consideration list for the 2022-2023 school year.**

**Evaluation:** Each student is required to complete an admissions evaluation prior to enrolling at the cost of \$175. Each year, entiretyK12 administers a standardized test of our choice to 3rd-12th grade students as required by the state of Florida. The standardized tests will be used to provide our teachers with a baseline of where each child is performing annually.

**Admissions:** After submission of all of the above documents we will notify you by email or phone as to your child's enrollment status and schedule an evaluation appointment. If your child meets the admission requirements, but there are no spaces currently available in a class, you will be given an opportunity to keep your application active on our consideration list.

**Enrollment:** Upon agreement to partner together and before your child is officially enrolled, you will be given a letter of acceptance and a statement of tuition agreement. Upon a signed tuition agreement you will receive the ek12 enrollment packet to complete with all applicable school forms and lab fees. Upon enrollment all students are required to pay a one time non-refundable enrollment fee of \$150.

**Dress Code/Uniform:** We require a solid colored collared shirt and solid denim, black, navy, or khaki bottoms. This uniform is applied across all grade levels K-12. Students carry a binder throughout the day. It is an extension of the uniform and must be maintained and kept organized. We are a **NO Cell Phone** school.

**School Calendar:** We attend school 170 days. Students have a learning break every four weeks. Refer to the entiretyk-12.com website for a look at our current calendar.

**Field Trips:** entiretyK12 participates in day trips that are based on the school's curriculum. Additionally, the school organizes overnight learning experiences as well to allow for students to broaden their personal experience outside of the classroom setting. The trips are **not mandatory** and part of the program design at the cost of the student.
