

We appreciate your interest in partnering with entiretyK12. The following documents are needed for every grade level. Please complete all sections that apply to your child. If at any time during the application process you have questions, please contact our office at info@entiretyK12.com. All applications must be turned in by April 1, 2025 to be eligible for a seat for the 2024/2025 school year. Applications received after April 1, 2025 will go on the entiretyK12 consideration list for the 2025-2026 school year.

Your child's application is complete when the following has been returned. No application will be processed until all supporting documents are received.

____ Completed Student Application

____ Copy of Birth Certificate

____ Last/Current Report Card

____ Parenting Plan if applicable

____ IEP/504 Plan if applicable

____ Educational Testing if applicable

The office must receive these completed forms before we can process your application. Please double check for signatures where applicable.

Evaluation: Each student is required to complete an admissions evaluation prior to enrolling at the cost of **\$175**. Each year, entiretyK12 administers a standardized test of our choice to 3rd-12th grade students as required by the state of Florida. The standardized tests will be used to provide our teachers with a baseline of where each child is performing annually.

Admissions: After submission of all of the above documents we will notify you by email or phone as to your child's enrollment status and schedule an evaluation appointment. The evaluation does not guarantee admission. If your child meets the admission requirements, but there are no spaces currently available in a class, you will be given an opportunity to keep your application active on our consideration list.

Enrollment: Upon agreement to partner together and before your child is officially enrolled, you will be given a letter of acceptance and a statement of tuition agreement. Upon a signed tuition agreement you will receive the ek12 enrollment packet to complete with all applicable school forms and lab fees. Upon enrollment all students are required to pay a one time non-refundable enrollment fee of **\$150**.

Dress Code/Uniform: We require a solid colored collared shirt and solid denim, black, navy, or khaki bottoms. This uniform is applied across all grade levels K-12. Students carry a binder throughout the day. It is an extension of the uniform and must be maintained and kept organized. We are a **NO Cell Phone** school.

School Calendar: We attend school 170 days. Students have a learning break every four weeks. Refer to the entiretyk-12.com website for a look at our current calendar.

Field Trips: entiretyK12 participates in day trips that are based on the school's curriculum. Additionally, the school organizes overnight learning experiences as well to allow for students to broaden their personal experience outside of the classroom setting. The trips are **not mandatory** and part of the program design at the cost of the student.

@entiretyK12, We Believe...

- Students should come to school after being fed a healthy breakfast. Students should bring a lunch from home that includes food that ensures sustained energy. We believe water is the best source of hydration.
- We believe attendance impacts progress. Students should arrive on time and be in school to ensure proper skill development.
- Students K-12 will come to school in a solid colored polo and denim or appropriate solid bottoms. (Mandatory Uniform)
- Students should wear clean fun socks so they can work without shoes.
- Students **will not** bring (nor do they need) a backpack or cell phone.
- Students should be respectful to all teachers and classmates at all times.
- Parents should drop off and pick up their child at the designated homeroom door on time. Parents who arrive early can drop their child at the picnic tables. All students who are picked up early must be signed out in the front lobby. Students will be brought to the lobby for early dismissal. Early dismissal is cut off at **2:45 p.m.** Dash board card must be displayed all year long.
- Parents should set an example to students while dropping off by refraining from smoking in their cars while on campus.
- We believe parents can leave their child in the care of the teacher without worry or interruption.
- Parents should contact the subject area teacher for a conference to discuss progress or goals whenever needed.
- Parents should only expect productive homework. Homework should generalize skills into the home and community. Students who do not complete their assignment in the class will be asked to finish at home.
- Parents that use Facebook and/or INSTAGRAM should follow us to keep with all the school happenings.
- Parents should connect with REMIND to get information quickly.

I accept the above beliefs and will make sure that I do my best to adhere to them. I understand that the entiretyK12 staff can help me to meet the above expectations when I ask for help, but that at anytime entiretyK12. has the right to say that our relationship is not in the best interest of the school and withdraw my child.
