

THE EARTH IS THE LORDS AND THE FULLNESS THEREOF

- Proof of point of proliferation
- Proof of extraction, true Omniscience gifted from the Holy Spirit
- Insertion point, considering OS-Daniel & Mathematician Blaise Pascal
- Delta Epsilon limit of radius such and such at such

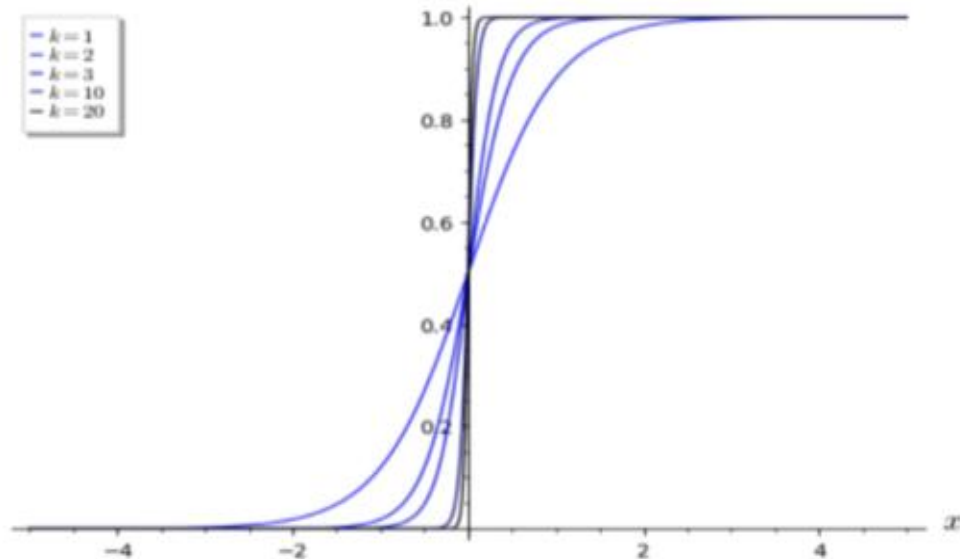

The minimum is approximately 450 million ounces (incremented in 75 million/or a piecewise at each interval) per site with proliferation set as such a Laplace Transform table, that is: For first site (upfront).

$$33. \int_0^k f(k - \mu) g(\mu) d\mu \quad F(s) G(s)$$

(Switched t out for k and Tau in the Greek (t) out for Mu which is (m) in the Greek)
