We need your input for the planning of Tribal-related GIS presentations and workshop topics. 2025 Summit's was a huge success. Let's make 2026 Summit another successful and meaningful event. To participate in the planning process and/or get summit updates – you must be registered.

Co-Hosts: University of Redlands – Tribal Students Program and California Tribal GIS (non-profit)

Questions can also be emailed to info@catribalgis.org
