I (Buyer) have reviewed the “High Country Poodles Sales Contract and Health Guarantee Agreement” and agree to all the terms and conditions set therein. I agree to sign that Agreement upon completion of the sale.

Buyer acknowledges and understands that:

- “Breeder” does not guarantee the size, color, or temperament of any puppy at maturity;
- all puppies require a \$500 Non-Refundable deposit;
- “Breeder” reserves the right to first 2 picks from each litter;
- choice of puppy is determined in order of deposits received; and
- puppies must be paid in full before he/she is the age of seven (7) weeks.

As the Buyer I will start my picking process when the puppies are six (6) weeks of age. If Buyer has not chosen a puppy by the age of seven (7) weeks, “Breeder” has the right to let the next buyer in line make its pick, and that Buyer will choose from the remainder of the litter, or next available litter. In the event the female fails to produce a litter or if a litter is produced and there are not enough puppies in the litter, then Buyer’s deposit will then be transferred to the next available litter. Buyer’s deposit will go towards the Puppy purchase price. Any money Buyer puts down towards dog/puppy is Non-Refundable. Buyer further understands that by changing his/her mind, finding another puppy or not signing the, “High Country Poodles Sales Contract and Health Guarantee Agreement” that “Breeder” is under no obligation to refund Buyer’s deposit under any circumstances. Puppy must be paid for in full before seven (7) weeks of age. Final payment can be done at any time before the age of seven (7) weeks.
