OTHER NOTES/COMMENTS:

**Please read thoroughly and print your full name where indicated:**

We only breed healthy and conformationally correct German Shepherd Dogs/working dogs with AKC Registration, OFA and/or PennHIP hip score Certification. All our puppies are sold with spay/neuter agreements and AKC limited registration unless prior arrangements have been made and approved. We provide those on our wait list with our best estimate of when we will have a puppy for them, however, please understand that many factors can change this estimate including whether a breeding takes and overall litter sizes. Being placed on our wait list does not guarantee that you will receive a puppy. You understand that the deposit is non-refundable. If you have a deposit for a puppy and do not receive a puppy you have the option to wait for a future pairing or apply the deposit to another litter. You agree to notify us if at any time you obtain a dog elsewhere or otherwise desire to be removed from our wait list. By submitting this application you agree that this application and its contents including your answers become the property of Behuten Haus K-9 Kennels and may be used as such provided that your personal contact information is not included in any public use.
