

45th Annual MOMA State Pool Tournament

ELIGIBILITY TEAM AND SINGLES

All players must have a minimum of 32 games in no less than 8 weeks of league play in the current league season.

A Team may draft up to two players from the same league system.

All players must be current members of a M.O.M.A. sponsored league.

Master/AA Division can consist of any 5 players from the same league system and will be handicapped based on Team CSR Rating Total of top 5 Players. Any team totaling CSR 9,000 or more will play in Master/AA Team division.

For the A, B, and C Team Divisions, the field of entries will be split and divided by their CSR Rating Total of top 5 players. The top teams will play in the A, the middle teams in the B, and the lower teams in the C Team Divisions.

SUB RULE: Each team may use up to two substitutes to be entered into the team's match line-up prior to the start of play.

No player should play any other player more than once unless there is a tie. In the event of a tie: select a player from each team, flip for the break, winner wins.

All Players will be placed into the singles and team events based on their CompuSport Rating (CSR). If a player doesn't have a robust CSR, a rating will be assigned to that player at the discretion of the league operator and MOMA Tournament Director. Also, if a CSR rating seems "skewed" in any way, Tournament Director and League Operator have the right to adjust that player's CSR rating according to Known Ability.

Open A, B, and C – 5-person team – 20 games
