

NEWSLETTER-Better Me/Be Cool

'April is a moment of joy for those who have survived the winter. Samuel Johnson'

Spring months are here and so is Easter. We are going to see more sun and green grass this month. I am starting a new program each week that is called STEM (science, technology, engineering, and mathematics). This month we are conducting experiments that have to do with nature, physics, and food fun.

With April having Earth Day, we have a few Earth Day activities that will also include some nature and recycling. We are going to try to make seed paper, flowers, and Earth Day art with recycled items. We are playing the movie Wall-E as part of the Earth Day activities.

Hopefully the weather will be nice for a walk around the neighbourhood this month. We will be having a picnic at the office this month. If it is nice, we will be able to use the tables outside, however if it is not great outside, we will be eating inside.

On April 6th, we will be learning about Indigenous peoples and sampling bannock. This is a good day to learn about our Canadian heritage and about some customs. There will be books available to look through as well.

Recently we started playing Wheel of Fortune and it seems to be a hit as is Bingo. Both of these games are on the calendar for April.

Lets all get out and enjoy the warmer weather!

PLEASE NOTE THAT ALL ACTIVITIES NEED TO BE SIGNED UP FOR IN ADVANCE.

Cheryl

People of the Month

Jasmine-Likes summer the best. Jasmine likes the sweet treats and Pepsi to drink. Jasmine would not like to go into outer space, does not binge watch tv shows or works out at the gym. She loves spaghetti and would like to learn Ukrainian for a second language. She is an android lady and can be found enjoying Chinese food as her guilty pleasure food.

Jessica P- Likes the warm months of spring and summer. Jessica likes to get her steps in but does not work out. She is an iPhone girl and will binge watch Criminal Minds or Big Bang Theory while drinking coffee and eating fruit and veggies. Jessica would like to see outer space however is a bit scared about leaving earth. She would like to learn more ASL to talk to other people who speak this way. Although she doesn't bake, she loves her sweet treats like cupcakes but look out if KFC is around!
