

## FFRA QUICK REFERENCE on Immunization Status and Rapid Testing

1. Tests will be available from the office while supplies last. You will be given what you need for each week based on your immunization status.
2. Your rapid test will be performed from home! If you are in a group home and on a shift that will fall within your testing period, **please bring a test with you to do!**
3. Please send all test results with your initials and date written on them to [jackierichards@ffra.ca](mailto:jackierichards@ffra.ca)

**This reference is to be used to help you know when you must do your rapid test!**

**NOT FULLY IMMUNIZED**-No vaccination, single dose of a two-dose vaccination, or less than 14 days from your one dose (Janssen) or two dose vaccination.

**You will need to rapid test 24 hours before each shift.**
