

Dheya Navigator

Premium Career Planning & Life Mentoring

**Believe
in your
Infinite
Potential.**

What is it all about?

Program for Career Guidance & Career Planning & Mentoring that will enable your child to have a focused & purposeful Career. Senior Mentors who are qualified & have acquired the knowledge & skill to work with youth will sit One to One with the person & have a personalised session of approximately 2.5 hrs. Using the inputs from Psychometric test & validation from parents, they will build a list of strengths & seek awesome possibilities in world of work. They will set a purpose in the world of work & create a career path while walking this Career path with your child.

How does it work?

1. Premium Career Plan (Dheya Compass)
2. Personalized Aspiration Building
3. Career Goal Setting
4. Career Development for 1 year
5. Hand Holding (1 session per quarter for 3 yrs) + Life Mentor Support
6. Mapping Futuristic Career Options
7. Alliances or networks of parents/ grandparents/ near and dear

What can you EXPECT?

- Personalized Mentor Support
- Entrepreneurial Projects
- Membership of Positive Parenting Club
- 50% discount in Career Development Program
- 10 Career Development meets in 3 years
- Invitation to activity forums

Why Dheya?

- Focussed on creating a destination-based (world of work) career path.
- Senior professionals with loads of experience are our trained and certified Career Mentors
- We partner with parents to build your child's career
- Personalised and customised Tools, research & technology which is updated and used by the mentors for this work.

Why is it important?

- ✓ This process gives the time for your child to plan ahead & be prepared.
- ✓ Reduces unplanned exploration & indecision time.
- ✓ Focuses on minimizing opportunity loss due to lack of information & unprepared entries.
- ✓ With the rapid changes prevalent in the world of work, it is better to be proactive & agile in Career planning.
- ✓ Think hard before you invest into unplanned Career Choices.
- ✓ Focus on purposeful investment with a clear well thought informed outcome from career choices.
- ✓ Focus on investing into high value yet low-cost education options.
- ✓ Focus on Return on Investment in your child's education and skill development.
- ✓ Child spends lots of efforts into education.
- ✓ Focus on interest based & aspiration-based Career Destination that builds more positive energy rather than frictional energy.
- ✓ Know the latest in the world of work & what's trending and what will be in vogue in future.
- ✓ Seek possibilities that suit your child's strengths considering futuristic changes, demands into field of education & the world of work.

WHO IS IT FOR?
