Efficient Purchasing Solutions

At Caribbean Island Supply, we streamline your purchasing needs by leveraging our extensive network to find the best cost and quality for your products while ensuring a smooth delivery process to your designated port or final destination.

You send us your product requirements, plans, or a bill of materials for the project.

We use our network to quote the best products and competitive costs & high quality.

We invoice at cost + an upfront purchasing service fee.

Once paid, we purchase the product for you and deliver it to port.

We provide all shipping invoices and any paperwork required for shipping.

We work with the shipping company on your behalf to ensure it gets to the destination (FCA, CIP*, or DDP*).

• Additional fees apply
