About Us

WHO WE ARE

We proudly serve...

YOUTH

SENIORS

SINGLE PARENTS

Sunflowers Bundles of Joy Foundation hosts this annual gala to raise money for the projects and initiatives we do throughout the year.

Whether that's providing services for single parents, engaging with the youth, or advocating for our seniors, we fundraise to give back.

Our vision is to empower parents to break the cycle of generational trauma and challenges, fostering a stronger, healthier future for the next generation.

Sunflowers Bundles of Joy Foundation mission is dedicated to empowering single parents, youth, and seniors by providing essential resources, compassionate support, and community-driven initiatives.

OUR IMPACT

With your help, we can reach new heights.

SUPPORTING SINGLE PARENTS

Since 2018, our **Diaper Bag Program** has supported **over 500 parents** by providing essential baby items such as diapers, wipes, bottles, and other necessities. By easing the financial and emotional burden on new and expecting parents, we've helped families take their first steps toward stability, dignity, and hope.

EMPOWERING YOUTH THROUGH EDUCATION

Through our **Back-to-School Drives**—a tradition since 2019—we've helped more than **350 youth** return to school equipped with backpacks, supplies, and the confidence they need to thrive both in the classroom and beyond. We believe every child deserves the tools to succeed, regardless of their circumstances.

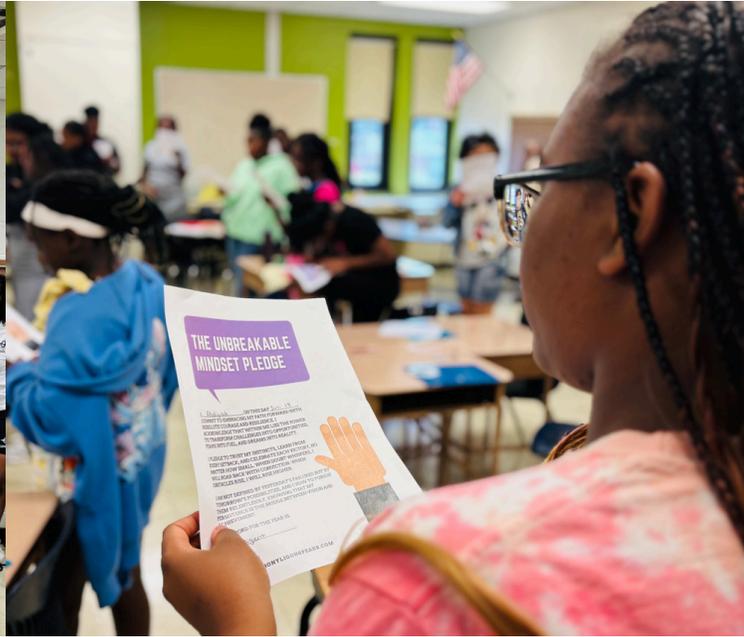

INSPIRING AT-RISK TEENS

Since launching our **Youth Mentorship & Advocacy Program** in 2020, we've reached **hundreds of at-risk teens**, helping them discover their “why,” build self-worth, and envision a future filled with purpose, resilience, and opportunity.

The challenges of youth violence and family poverty in Indianapolis are growing at an alarming rate. Families are struggling, and too many young people are turning to the streets due to a lack of support, guidance, and resources.

2023 →

44 youth under the age of 19 were killed due to gun violence—one of the highest rates in recent years.

2024 →

Non-fatal shootings among young people increased by 7%.

42% →

Indiana adults report struggling to cover basic everyday expenses.

25% →

Indianapolis renters spend more than half their paycheck on housing costs, leaving little for education, childcare, and essentials.

About the Event

The 2026 Sunflowers Bundles of Joy Gala is more than a fundraiser—it's a movement.

This year's theme, Youth and Family Advocacy reflects our belief that meaningful change for youth and families in Indianapolis begins when communities come together with intention.

This Gala creates space for dialogue, celebration, and strategic connection among leaders, families, and advocates who share a common goal: to serve better, together. It's about amplifying voices, sharing resources, and honoring the cultural richness that shapes our communities.

The ultimate message? We can't do this work alone—and we're not supposed to. Our call to action is clear: show up, partner with purpose, and help us build a stronger, more responsive network of care and advocacy for the next generation.
