Dear MAAC Member,

We hope you had an enjoyable and profitable February show. Saturday's show attendance was strong and steady most of the day. We had many cross overs from the Shriner's Auction Show. MAAC would like to thank everyone for your cooperation in removing cars from the hall in a timely manner. The guards have been working diligently to keep traffic moving to aid in the unloading process. Thanks also to the table holders who have been rotating their sale stock. We heard many positive comments about the variety and quality of items for sale. The representatives from Morphy Auctions remarked on what a good show it was. Contact Greg Zemsta as early as possible if you have any questions regarding your tables or their location for the next show

MAAC would like to thank the following individuals for their excellent displays: Lt. Mike Kline for "Dr. Goddard's The St. Valentine's Day Massacre", Mr. Daniel Pozarek for "Remington's Large Frame Revolvers", Jim and Roberta Castle for "Michigan Copper Mines", "The 102nd United States Colored Troops Co. B", Mr. Tracie Hill for "The American Thompson Association", and the "Thompson Revolver Display" by Mark Smith. A special thanks to Mr. Larry Serdoner and Mr. Jim Pence who worked the door all weekend to survey the number of members we had attending the show.
